

State Route 387 Roadway Improvements and Pedestrian Hybrid Beacon

www.azdot.gov/SR387

The following work is anticipated for Sunday, Jan. 5 through Saturday, Jan. 11

Construction Activities

- Electrical work to occur throughout the project area daily from 7 a.m. to 4 p.m., Monday through Friday.
- Pedestrian Hybrid Beacon Pole installation is planned from 9 a.m. to 3 p.m., Tuesday and Wednesday, at the San Carlos Trail Crosswalk located midway between McMurray Boulevard and Ocotillo Street on SR 387 (Pinal Avenue). Installation will accommodate student crosswalk use and avoid construction during busy crossing hours. Potential night-time finishing work may occur to complete pole installation.
- Overhead Traffic Pole installation is planned at the San Carlos Trail Crosswalk from 9 a.m. to 3 p.m. on Thursday. Construction activities are planned to accommodate crosswalk use by students and pedestrians during busy crossing hours.

Closures

- Lane closures will occur on those lanes affected by construction; however, one lane of travel will be available in both directions at all times.
- Temporary detours through side-roads may be anticipated; uniformed officers will provide assistance directing travel during rerouting operations.

These details are subject to change. If you have questions or comments, please email ADOT at Projects@azdot.gov or call the ADOT Project Hotline at 855.712.8530.
